Instructions for Inductees

- A. You may visit <http://www.order-of-the-engineer.org/e-ring.htm> to find out for yourself the purpose, the history, the prerequisites for membership and the plan of the order.
- B. To be eligible, you must be within two semesters of graduation from a four-year ABET accredited engineering degree program; or an engineering graduate from an ABET accredited four year degree program from a university in the U.S.; or you are a practicing professional engineer in the U.S.
- C. If you decide that you would like to be inducted into the Order of the Engineer, fill out the application form.
 - **To be inducted you must be present at the induction ceremony**, so make sure you know the date, time and location of the induction ceremony.
 - **If you are unable to be present** at the induction ceremony, your ring and certificate will be not be presented to you until such time that you are able to participate in the next induction ceremony.
 - Induction Ceremony details will be sent by email or by other contact information you provide.
- D. Write a check for \$35.00 payable to “UMKC”. This is a one-time fee for your ring, certificate, and name registration with the national office.
- E. You will also need to provide information on the ring size of the small finger of your working hand.
- F. Finally, bring your completed application, check and ring size to
